Client List, continued:

Groundbreaking, award winning, artist Shana Kroiz creates one of a kind wearable jewelry that celebrates ancient forms and the sensuous nature of human consciousness. The pieces are universal in their appeal and personal in their effect. When worn, the jewelry interacts as a sculpture, making the body a pedestal. The pieces, made with artistic integrity and fine craftsmanship, utilize the electroform method, thereby being frugal with materials like gold and rose gold, and creating very little waste.

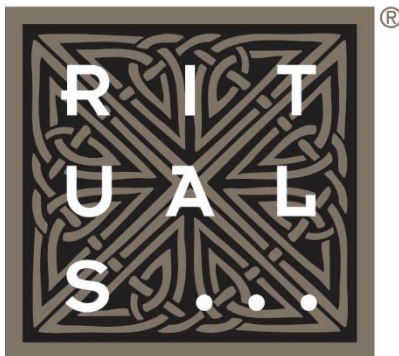

Web: www.shanakroiz.com

Flor de Caña Rum is a Fair Trade Certified, Family Owned Distillery from Nicaragua with quite possibly the world's most sustainable distilling and bottling facility. Prized for their taste, these high-end rums are known worldwide for their quality.
